

Supply Chain Intern

 Lunaphore Technologies SA

 Tolochenaz (Vaud), Switzerland

Job title: Supply Chain Intern

Reports to the: Supply Chain Manager

Activity rate: 100%

Type of contract: Internship

Start date: As soon as possible

Duration: 6 months

About our company

Lunaphore Technologies is a young scale-up active in the Life Sciences field developing products based on a microfluidic technology to analyze tissue samples in immuno-oncology research. Lunaphore is seeking a highly motivated candidate to join our team and contribute directly to the development and growth of the company.

Job overview

As 'Supply Chain Intern' you will be part of the Operations team, contributing to customer satisfaction by organizing shipments, purchasing components, and managing stocks. You will provide on-field support and join a hard-working team, passionate about taking Lunaphore to the next-level.

Responsibilities and duties

- Do the physical preparation of shipments to customers: packages and pallets.
- Prepare documentation for shipments to customers.
- Communicate with transporters to organize the shipments.
- Ensure that shipping activities and deliveries are on track.
- Do the purchasing of spare parts and logistics materials.
- Follow-up on supplier orders.
- Store the products in the warehouse.
- Do physical inventory counts.
- Participate in the improvement and optimization of supply chain processes.

Required qualifications

- Student or recently graduated with CFC, Bachelor or Master in Business, Supply Chain, Engineering, Logistics or Operations.
- Good understanding of supply chain processes.
- Fluency in oral and written English is a must. Additional language skills including French and German are highly desired.

Required soft skills

- Ability to collaborate with others by working in a team and build relationships, within the company as well as with external suppliers or customers.
- Excellent organizational skills and attention to detail.
- Critical thinking and analytical skills.
- Excellent time and priorities management and good sense of responsibility.
- Ability to adapt in a constantly changing environment.

We offer

- A young and strong-growing high-tech company.
- A diverse and international working environment with a strong network.
- A highly interactive team with strong personal and technical qualities.
